

basketballtayside & fife U14 Central Venue Development League

Perth Phoenix won the final U14 **basketballtayside & fife** boys Development League event at DISC, hosted prior to the Men's All Star game on Sunday 24th May 2009.

Perth, with strong performances from Scotland U14 stars Cameron McLay and Scott Thomas went through the six team round robin event undefeated. A gutsy performance from Arbroath Musketeers, with Nicky Sim (also Scotland U14) in standout form, almost dented Perth's winning streak. It was a great tournament for the basketball All Stars for the future.

Menziesshill Madsons, fielding a younger development side including Monifieth High School's Ross Walker (pictured), finished third but were ecstatic to learn that they have won the league over the four events hosted this season. Dunfermline Reign A and B Teams, and Kinross Cavaliers each won a game to finish fourth equal on the day.

Unfortunately, Arbroath Musketeers and Perth Phoenix were unable to send girls teams that day so no fixtures took place. However, over the three previous events, Arbroath Musketeers girls have won the most games, with Perth Phoenix second and Menziesshill Madsons third.

The 2008-09 combined results give overall standings of:

basketballtayside & fife 2008-09 Under 14 Boys CVDL

- 1st Menziesshill Madsons
- 2nd Arbroath Musketeers
- 3rd Dunfermline Reign A
