

## **Girls Rugby**

Girls Rugby is on the up with new teams formed at both Madras College and Glenwood High School so far this season.

Fife Girls Rugby Development Coordinator Nicky Burge has organised several girls' rugby events throughout Fife already this season with the support of Paul Hunter (Central & West Fife DO) and Graham Smith (North East Fife DO) and the region's Community Coaches. Events have been held so far in Kirkcaldy, Glenrothes and St. Andrews with girls from four different Fife schools taking part.

The Madras College and Glenwood High Schools teams have also taken part in Scottish Rugby's National girls rugby events held at Grangemouth and Perthshire. The next step for these teams is the Brewin Dolphin Girls Cup which is being held after Christmas and Nicky Burge is hoping for a good showing from the new Fife teams.
