

Dundee Primary Schools Festival

Lisa Mitchell of Dundee Sports Development and Sama'an Akel of Active Schools hosted a fantastic Primary Schools Basketball Festival at Lynch Sports Centre in Dundee on Wednesday 18th November 2009. Over 90 children from 7 schools and 2 club teams took part, and the sports centre was buzzing with young hoop stars and hot shots.

Several senior pupils from local clubs Dundee Sharks and Menzieshill Madsons helped out coaching and refereeing, and there were several active schools co-ordinators on hand helping out as well. Even more impressive was the fact that there were approximately 100 parents and family/friends spectating from the viewing balcony cheering on all the teams. It created a fantastic atmosphere and the feedback was excellent.

It was a great afternoon for all involved, with further festivals planned across the city during term 2 and 3 with a city wide festival final being hosted at DISC in February 2010.
