

Perth & Kinross Secondary Schools Tournament

Claire Mulqueeney, P+K Secondary School Sports Development Officer, hosted a Seniors Basketball Tournament at Bells SC in Perth on Monday 16th November. Despite some schools not being able to make it due to prelim preparation and school campus moves, five boy's teams and two girl's teams entered and had a great afternoon of basketball action. All in all over 60 pupils, all from S4-S6 took part.

Perth Grammar won the boys competition, with St John's as runners up. Perth High School won the girls event, with Perth Grammar School coming second. Many thanks go to Claire for her perfect organisation of the event. Also huge thanks to each of the teachers who coached and refereed on the day and for getting their teams to the tournament. Well done to all involved.
